

CLUB CLOTHING

It has been agreed to register club colours with GNAS. These will be: black shirts and fleeces with the club badge embroidered in lime green on the front (left or right according to individual's choice). In addition the fleeces can have a single name embroidered on the front and a large (200mm) club badge on the back. Steven has samples of the new embroidery.

The registration process means that members can't wear the new club colours when shooting at Record Status events, including May Day, where GNAS dress regulations apply, until 1st January 2008. In the meantime, they can be worn at other events and by non-shooting attendees. (Ask Elaine, Steven or a committee member if this is not clear to you!)

The current range of green clothing with full colour embroidery remains an available option.

CLOTHING NOW AVAILABLE comprises:

1a Fleece jacket (as currently worn): Green with full colour embroidered badge and gold single name on front and gold "FAKENHAM BOWMEN" on back.

1b Fleece jacket: Black, with lime green embroidered club badge and a single name on front and large (200mm) badge on back.

2a Microfleece top: Green, embroidery details as for green fleece jacket.

2b Microfleece top: Black, embroidery details as for black fleece jacket.
